

New Lower Cost Gripper Socks

PTP Healthcare have just launched a new range of gripper socks as a lower cost alternative to our existing premium non-slip slipper sock.

The new sock is of a simpler, cost effective, Latex free Polyester tube construction and is available with grip tread on the bottom or double tread for extra non-slip protection.

The socks come in cartons of 140 pairs and in a variety of sizes which are colour-coded as shown and below:

Yellow XXL: Single PTP160 / Double PTP155 Beige XL: Single PTP159 / Double PTP154 Blue LG: Single PTP158 / Double PTP153
Green M: Single PTP157 / Double PTP152 Red SML: Single PTP156 / Double PTP151
